

More oral-board practice. Less scheduling.

Give residents on-demand speaking practice in three live formats, response-linked feedback, progress tools, and the private Listening Library—all through their normal On-Call Board Prep accounts.

\$495	10	50 hours	12 months
annual fee	named resident seats	shared practice time	owner-defined term

WHAT RESIDENTS GET ✓ Three live formats: Full-Length Oral Exams, Short Oral Exams, and Question Drills ✓ Feedback, practice history, and progress tools after their own sessions ✓ Private Oral Board Listening Library access in the app and podcast players ✓ Program coverage first, with personal purchases and entitlements kept separate	WHAT DIRECTORS GET ✓ Invite, resend, cancel, remove, and restore resident access ✓ Exact seat use plus available, reserved, completed, and expired program time ✓ Per-resident identity, status, program-funded time, and last practice date ✓ No access to cases, answers, transcripts, feedback, scores, or outcomes
--	--

SIMPLE ANNUAL SETUP

1. Request an invoice Confirm the program, billing contact, director, and term dates—typically July 1 through June 30.	2. Activate the term A one-time Stripe Hosted Invoice activates the annual cycle and fresh 50-hour pool.	3. Invite residents Verified-email invitations connect up to 10 named residents to normal learner accounts.
--	--	---

RENEWAL

Manual annual renewal starts a new cycle and 50-hour pool. Unused time does not roll over. Resident carry-forward choices stay editable until the new term begins.

IMPORTANT DETAILS

Accepted seats remain assigned to that named resident for the term, even after removal. The administrator uses a seat only if also enrolled as a resident. The individual Pass Guarantee is not included.

PRIVACY BY DESIGN Residents see their program, covered formats, coverage status, and term end date—not the shared balance. Directors see enrollment and usage metadata, never learner practice content or performance.
